

Tech Rider

Piano

- no specific make of piano is required, however Steinway and Yamaha are preferred. If a keyboard will be made available at the venue general specs of the keyboard should be communicated to the Artist at least 24 hours prior to the event.

Guitars

- unless otherwise communicated, main guitars will be provided by the Artist and band.

Backline

- drum kit and spare acoustic guitar should be provided if possible. Specs should be communicated to the team at least 1 week in advance of the event.

Sound & Lighting

- sound system requirements will be communicated by the sound engineer in advance. At least 3 outputs are needed unless otherwise communicated by the Artist and/or Management.

Set List Rider

All requests for specific songs to be included in the set list should be made to the Artist and/or Management at least 24 hours in advance unless otherwise agreed upon. *Ohemaah* reserves the right to perform any original song - released or unreleased - at the show unless otherwise agreed upon by Artist and/or Management and the show organizer.

Event themes, time constraints, intended collaborations, and any other parameters for the show affecting the set list should be made clear to Management at least one week (7 consecutive days) in advance of the show via phone conversation, in-person conversation, text, or email.
